

**REMARKS**

Claims 6, 9, 11 and 17, all of which have been allowed, are pending in the present application.

Claim 9 has been amended to provide a proper antecedent basis for the feature of a "flexible eyelet" introduced later in the claim, and for the "drive head" recited in dependent claim 17.

Claim 7, which was rejected in the Office Action mailed on November 30, 2006, has been canceled.

The application is now in condition for allowance, and such action is earnestly solicited.

Dated: December 6, 2006

Respectfully submitted,

By
